TEN YEARS OF HISTORY IN PANAMA CANAL ZONE

Developments Under American Auspices Since French Company Transferred Title to Property.

latest edition of the Canal Record sums up the history of the Panama canal under American auspices. Ten years of American occupation of the Canal Zone have

sufficed to bring about a great change in the world's geography, for it was on May 4, 1904, that the canal property was transferred from the second French com-

Defeats Its Old Rival, Metropolitan, in Annual Contest for Charity.

SOCIETY OUT IN FORCE TO CHEER FOR PLAYERS

Score Is 12 to-0, With Some Lively Batting in the Fifth Inning That Assures Victory.

The Chevy Chase Club base ball team epped on its old rival, the Metropolitan lub team, out at American League Park esterday afternoon in the annual game etween the two clubs. The score was 12 o 0 in favor of Chevy Chase.

The down-trodden Metropolitan Club owever, struggled gallantly through the ine innings. It could not connect safe-Parker, jr., of the Chevy Chase aggrega ion, who allowed only five safe hits dur ing the entire game. It must be admit-ted, though, that after the fatal fifth in-

Give Capital Support.

It must be said that the Chevy Chase nfield gave Parker capital support and knocked down some hard hit balls that looked good for a base hit or more Weaver at first, Harold Chase at short, Pilson at second and Dr. Spencer a third danced about the diamond in

For the first four innings the game noved along without particular event, hough Chevy Chase showed its ability to score by taking a run in both the first and second innings.

Preston Gibson, playwright as well as pitcher, who used to pitch when he went to Yale a dozen years ago, took up the task of pitching for the Metropolitan team. Kortright Church, the Chevy Chase cather, himself a more recent graduate of Yale, was the first man to face Capt. Gibson. He connected safely, driving the ball to left field for a single. Dr. Blair Spencer struck out, but Dr. A. Y. P. Garnett drew a pass. He was out later stealing third. Parker and Weaver each hit safely. While Pilson was at the bat Parker got caught of second. Church stole home during the mix-up, but a moment later Parker was put out.

In the next frame, Randall Hagner and S. S. Hanks of the Metropolitan team each hit safely, but Murray Cobb struck out, Henri de Sibour, jr., was out on a sacrifice and Preston Gibson popped up a fly to the infield.

The fifth inning was a "scream," that is during the batting of the Chevy Chase team. Capt. Gibson apparently had wearled, or the Chevy Chase end wearled, or the Chevy Chase end of seven hits, which, aided by the errors of the Metropolitan team, yielded a total of nine runs. It was all over but the shouting. The Chevy Chase club did make another run in the eighth and made the score a full dozen. Church, who led his team at the bat with four safe hits, got the last run.
